Dear Sir or Madam:

Thinking of something to create goodwill between you and your members? Provide them with a personalized **My Fitness Rewards Program™**. We are proud to say for the last 25+ years we have been saving people money 365 days a year. With 25,000+ merchants offering exclusive discounts in 43 states the value of our program is at an all-time high.

With our **My Fitness Rewards Program™** your members save at hundreds of local establishments. These discounts can be redeemed by a mobile app, discount card, or online printable coupon – choose one method or all three, it's up to you!

Our programs start as little as \$79 a month. Your members can access all of our offers both locally and nationwide. New discounts are added to our National Coupon Network almost daily.

We are extremely confident your members will be very appreciative of their **My Fitness Rewards Program™** and the goodwill our program creates far outweighs the cost. Every time your members save money they will know you have provided them with this opportunity.

If you have any questions or would like to discuss our program further, we can be reached at 800-679-7333 or visit us at www.SaveHereToday.com. We look forward to hearing from you.

Sincerely,

Charles Dinovitz
